RULE IMPACT STATEMENT

[75 O.S. § 303(D)(2)]

A. A brief description of the purpose of the proposed rule:
   The proposed rule will implement the requirements of HB 2387 passed by the second session of the 54th Legislature and signed into law on May 9, 2014. The bill provides the ability for the Department of Public Safety to accept from an applicant for an Oklahoma Identification Card a valid, unexpired Oklahoma Driver License as both primary and secondary identification.

B. Classes of persons most likely affected by the rule, including who will bear costs and cost impacts received from private and public entities:
   Any Oklahoma resident wishing to obtain an Oklahoma Identification Card. The applicant will bear the cost of the identification card; there is no cost impact associated with the proposed rule amendment.

C. Classes of persons who will benefit from the rule:
   Any Oklahoma resident wishing to obtain an Oklahoma Identification Card will benefit from this proposed rule.

D. Probable economic impact of the rule upon affected classes of persons or political subdivisions, including fee changes and, whenever possible, a justification for each change:
   There are no fee changes associated with this proposed rule. The current and continued cost of the OK Identification Card is set out in 47 O.S. §6-105.3(B).

E. Probable costs and benefits, to this or any other agency, of the implementation and enforcement of the rule, the source of revenue to implement and enforce the rule, and the anticipated effect on state revenues, including projected net loss or gain if it can be projected:
   None

F. Economic impact on political subdivision or their cooperation required in implementing or enforcing rule:
   None

G. Adverse effect on small business as provided by the Oklahoma Small Business Regulatory Flexibility Act:
   None
H. Measures taken by this agency to minimize compliance costs. Availability of a less costly or nonregulatory method or less intrusive method for achieving the purpose of the rule:

   There are no costs associated with the implementation of this rule.

I. Effect of the rule on public health, safety, and environment, and, if designed to do so, explanation of the risk to public health, safety, and environment the rule is designed to reduce and to what extent the risk will be reduced.

   The implementation of this proposed rule will reduce the time and documentation required for a citizen of this state to obtain an Oklahoma Identification Card.

J. Detrimental effect on the public health, safety, and environment if the rule is not implemented:

   Should this proposed rule fail passage, the Department of Public Safety would be in violation of Oklahoma Statute.
