RULE IMPACT STATEMENT
[75 O.S. § 303(D)(2)]

A. A brief description of the purpose of the proposed rule:
   This proposed permanent rule will allow the Department to develop an on-line
   knowledge test for applicants that require the written examination for an Oklahoma Driver
   License. This will reduce the wait time an applicant must spend in line at the Department
   Examination location. Applicants will have the option to take the written test on-line or in-
   person.

B. Classes of persons most likely affected by the rule, including who will bear costs and
   cost impacts received from private and public entities:
   All Oklahoma residents that apply for, renew, and/or replace his or her Oklahoma Driver
   License.

C. Classes of persons who will benefit from the rule:
   Any Oklahoma resident wishing to obtain an Oklahoma Driver License will benefit from
   this proposed rule.

D. Probable economic impact of the rule upon affected classes of persons or political
   subdivisions, including fee changes and, whenever possible, a justification for each change:
   There are no fee changes associated with this proposed rule.

E. Probable costs and benefits, to this or any other agency, of the implementation and
   enforcement of the rule, the source of revenue to implement and enforce the rule, and the
   anticipated effect on state revenues, including projected net loss or gain if it can be
   projected:
   This proposed permanent rule will benefit the Department by allowing applicants to take
   the written test for an Oklahoma Driver License on-line, thereby reducing the wait time at a
   Department Examination location.

F. Economic impact on political subdivision or their cooperation required in
   implementing or enforcing rule:
   None.

G. Adverse effect on small business as provided by the Oklahoma Small Business
   Regulatory Flexibility Act:
   None.
H. Measures taken by this agency to minimize compliance costs. Availability of a less
costly or nonregulatory method or less intrusive method for achieving the purpose of the
rule:
There are no anticipated costs associated with these proposed permanent rules.

I. Effect of the rule on public health, safety, and environment, and, if designed to do
so, explanation of the risk to public health, safety, and environment the rule is designed to
reduce and to what extent the risk will be reduced.
There are no anticipated risks to the proposed permanent rules.

J. Detrimental effect on the public health, safety, and environment if the rule is not
implemented:
If the proposed permanent rules are not implemented, the effect to the general public will
be continued long wait times when required to see a Department Examiner.
